

Dear Thomas and Barbara,

This is the house that you supported the well. This well not uses only this house, but there are many shared the well with.

I hope you like your name and I'm sorry Thomas that your name smaller then Barbara.

This family has seven members. There are parents and five children. A man name is Seng Sokha. He is 47 years. His job is a fisherman. He could earn \$ 40 a month and rainy season he could not fish, but he does something else.

His wife name is Mean Somban. She is 38 years. She helps her husband to fish and sell the fish. Her daughter name is Pen Sokkai. She is 14 years. She's a student. Her brother name is Pen Sok Kav. He's 11 years. He is a student too. The small boy name is Pen Sokkai. He is 9 years. And another boy name is Pen Soknam. He is 8 years. He is a student. The smallest boy name is Pen Poly. He is 5 years. He not yet go to school.

This family is very happy because before they took the water from neighbors' house. Even this house has a strong man in the family, but his job is a fisherman and this job is not regular because he cannot fish every day. And he fish in a pond not river so sometime he got some fish and sometime not. And in the rainy season he can't fish because a lot of water.

Dear Thomas and Barbar,
